

Opto 22 California RoHS Statement of Compliance— Industrial Control and Monitoring Instruments

Statement of Compliance

**With regard to California Code of Regulations—
Public Resources Code Section 42463, effective
January 1, 2007, on the restriction of the use of
certain hazardous substances in Covered Electronic
Devices.**

All Opto 22 products are considered industrial monitoring and control equipment, which is excluded from the definition of a Covered Electronic Device according to PUBLIC RESOURCES CODE SECTION 42463(e)(2)(B).

Therefore, all Opto 22 products are excluded from the Health and Safety Code sections 25214.9-25214.10.2.

_____ Dated November 23, 2016

Mark Engman,
Chief Operating Officer, Opto 22
